

COMMERCIAL DESIGN WITH PURPOSE

BENEFITS

- Your commercial space will reflect your brand identity.
- Functional layouts that optimize workflow and client experience.
- Curated furniture, lighting, and finishes for a cohesive design.
- Professional guidance if you are in the U.S. for installation and styling.

SPACES DESIGNED

- Cafés, restaurants, boutiques, offices, clinics, studios
- Any space where your brand interacts with clients

Step 1 – Share Your Vision

Fill out a brief form with your business details, current space, and inspiration.

¿Cuál es el nombre del negocio? *

Texto de respuesta corta

¿Tienes una cuenta de Instagram, logo o colores que quieras usar?

[Añadir archivo](#) [Ver carpeta](#)

¿Qué palabras definen cómo quieres que las personas se sientan al entrar a tu espacio? (Ej: acogedor, moderno, lujoso, fresco, profesional, etc.)

Texto de respuesta corta

¿Cómo te describes como profesional? ¿Qué te diferencia?

Texto de respuesta larga

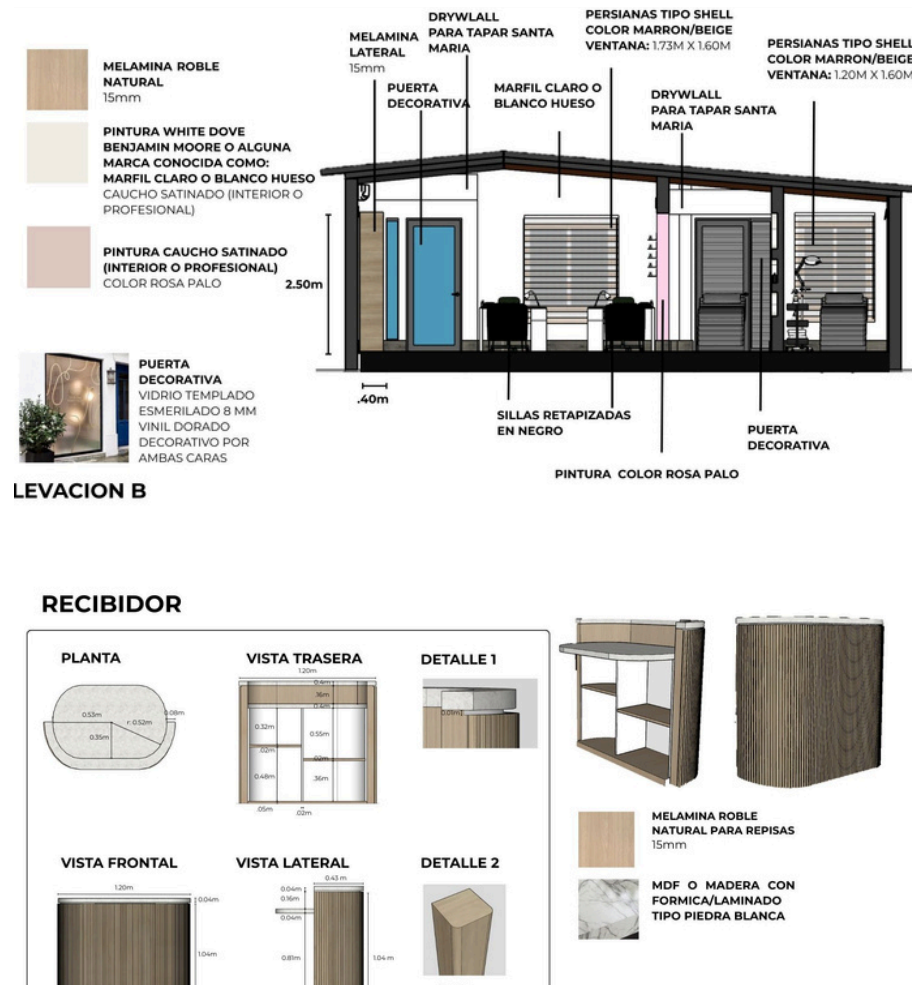

Step 2 – Concept & Moodboard

I'll create a concept and moodboard reflecting your brand identity and goals.

Step 3 – Design Development

Detailed floor plans, elevations, furniture, lighting, and finishes.

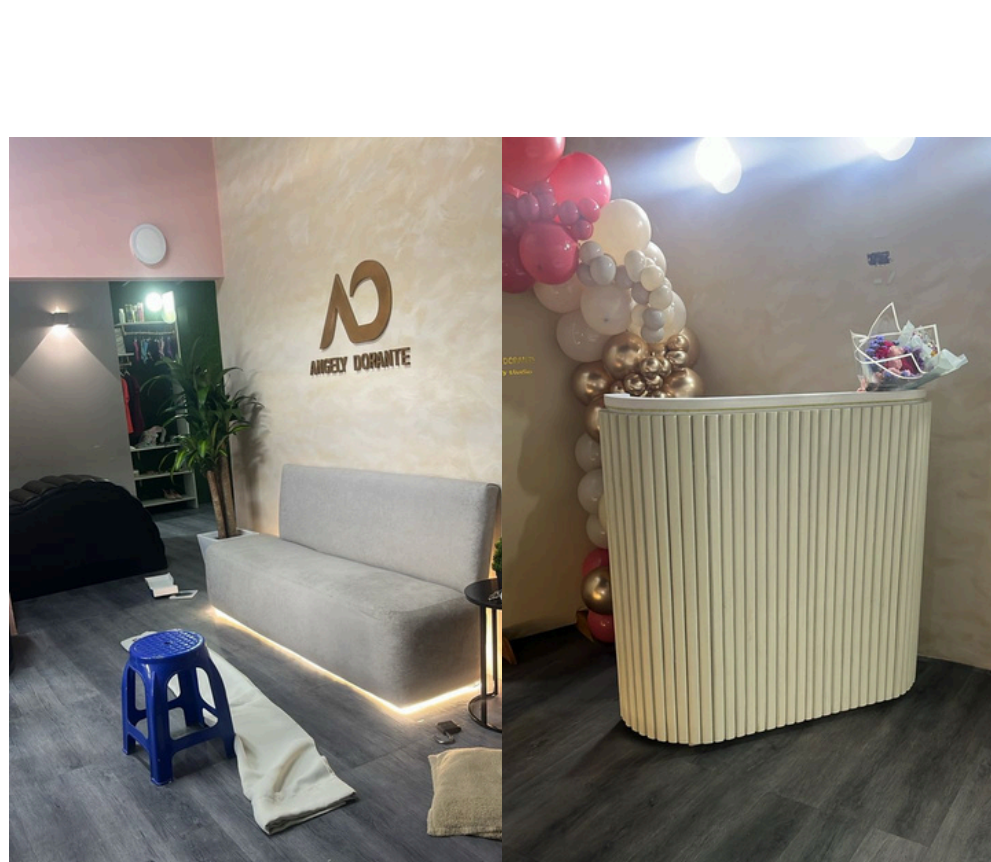

Step 4 – Visualization

Realistic 3D renders to imagine your commercial space before implementation.

Step 5 – Shopping & Implementation (Optional, U.S. only)

Curated shopping list, coordination with suppliers, installation, and final styling.
